ACTIFS

Sesame oil

Regenerating - softening

Rich in antioxidants and essential fatty acids, it is an asset in anti-aging care.

Jojoba oil

Protective - rebalancing

Hydrates, nourishes, protects, regulates sebum production and preserves the skin from aging. Can be used at all ages, on the skin as well as on the hair.

Castor oil

Fortifying - nourishing

Restores shine, suppleness and softness to hair and fur.

Argan oil

Antioxidative and anti-ageing

Being high in Omega 6 and 9 fatty acids and vitamin E, argan oil is packed with moisturizing properties. It nourishes and helps fight the signs of ageing.
